

March 2019

We are going to have another fun month at Mother Earth! This month, we welcome spring, although it has been feeling like it already, and with it, lots of fun outdoor activities. We also will be celebrating St. Patrick's Day with a party - be on the lookout for leprechauns and make sure to wear green!! This month, we will continue with our Tuesday cooking classes and field trips. If the weather permits, we will take one of those field trips to the park! We also have lots of fun activities scheduled including Mardi Gras masks, wind chimes, fruit loop rainbows and bird feeders. I am thankful for the start of a new season with all of you and hope to see y'all this March at Mother Earth!

Joke of the Day:

*Q: How can you tell
if an Irishman is
having a good
time?*

*A: He's DUBLIN
over with laughter!*
